Right Screenshot: This shows a video call interface. At the top, it says "Batch 4 - Gener..." and has a back arrow, a refresh icon, and a speaker icon. The main content area displays a question:

4. A train leaves Chennai at 4.10pm and reaches Bangalore at 7.35pm. The average speed of the train is 40km/hr. What is the distance from Chennai to Bangalore?

Solution:

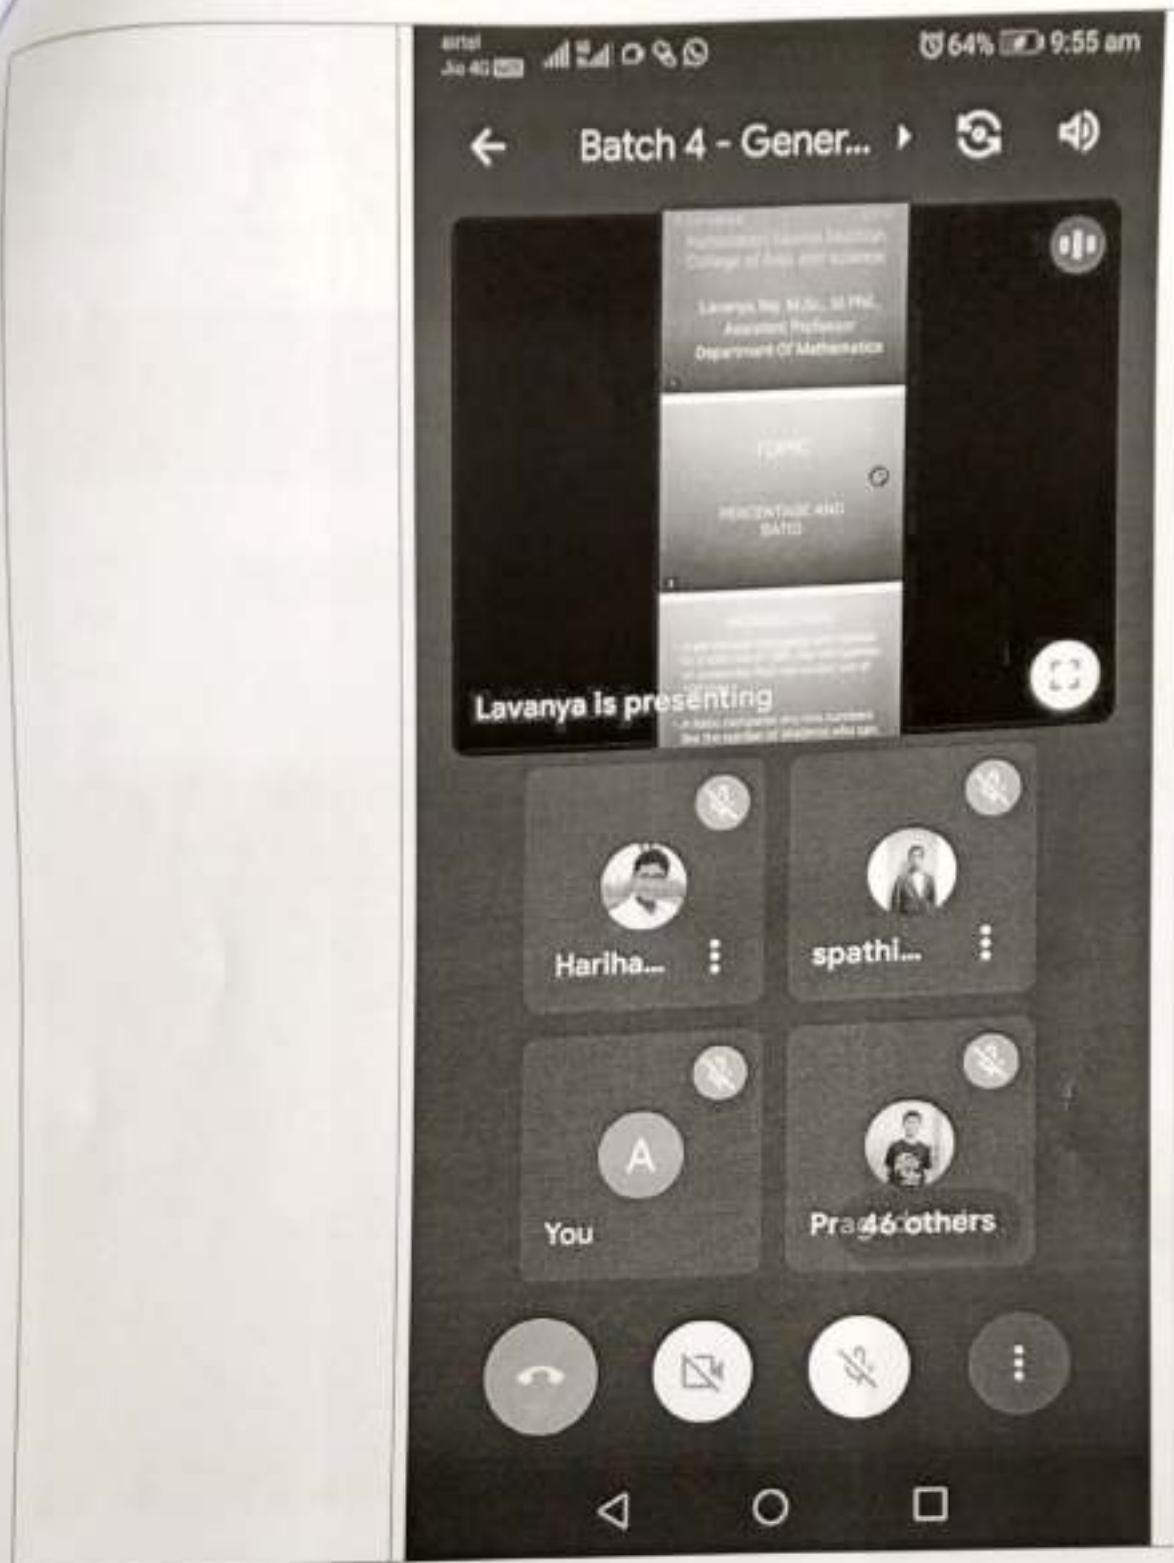

Time taken = 7.35pm - 4.10pm = 3 hr 25 min
Time = 3 + 25/60 hr = 3.4166666666666665 hr

Distance = Speed * Time = 40 * 3.4166666666666665 = 136.66666666666666 km

Below the question, it says "Anitha is presenting". The video feed shows a woman named Anitha. The participant list includes:

- Anitha
- Pragad...
- You
- Has 42 others

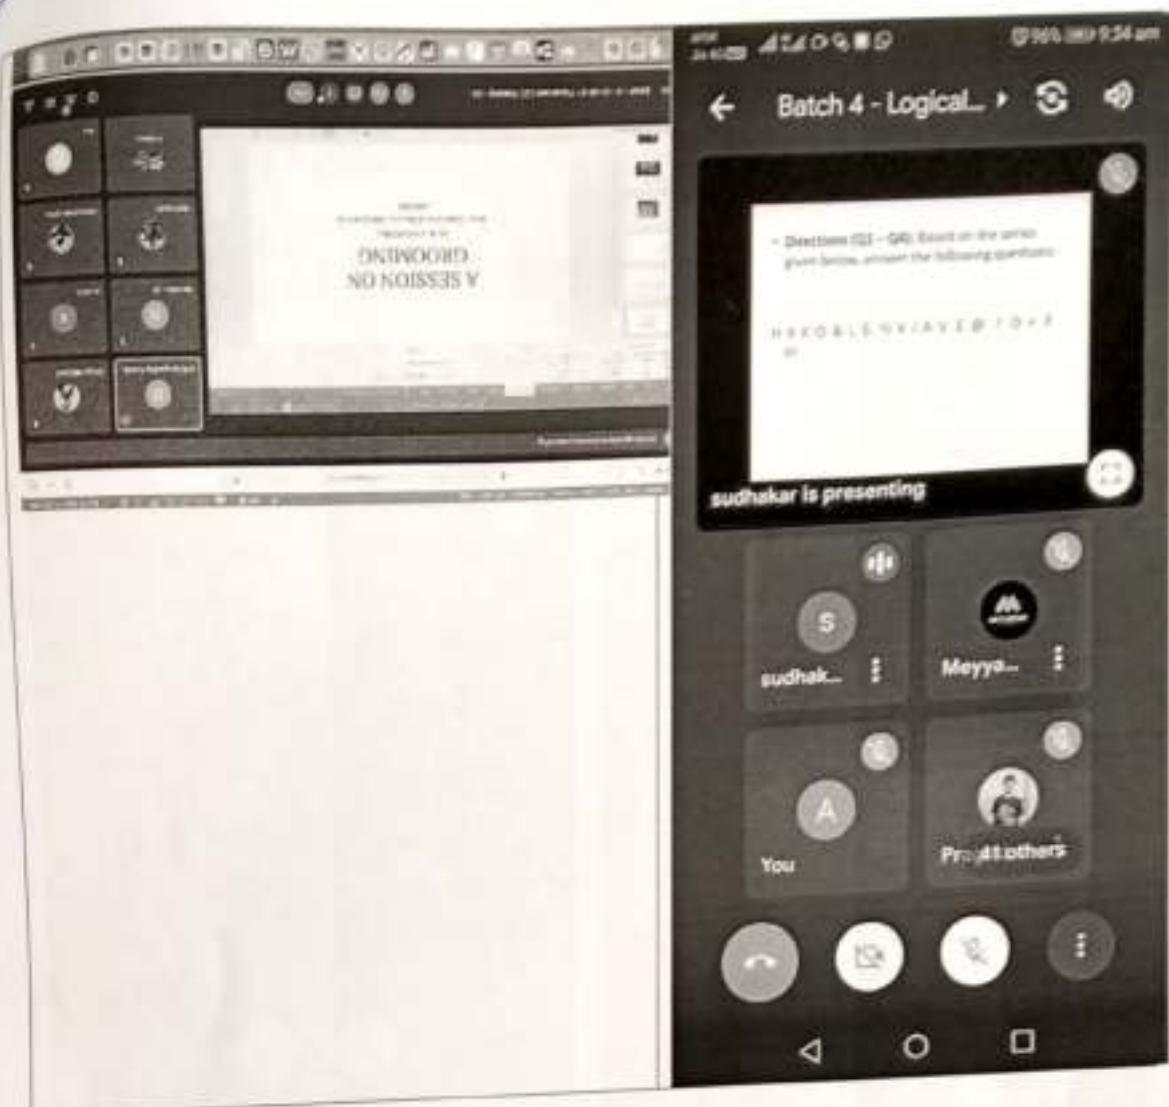

At the bottom are standard video call controls: a red camera icon, a microphone icon, a volume icon, and a full-screen icon.

Who is communication?

It is about conveying some message to other people clearly and spontaneously.

It is about inferring information that others are sending to you.

Institution Innovation Council of KRMMC

Title of the Program	:	My Journey as an Entrepreneur -Story Session
Date	:	17.12.2021
Platform	:	Google Meet & Point Telecast
Resource Person	:	Jc. L.Sampath Kumar, Managing Director, Nallakadai Managing Partner, South Organic Farms Farmer at Herballand
Number of Participants	:	56 Students & 10 Faculty members
Focus of the Program	:	Skill development based on Entrepreneurship
Outcome	:	The students learned the art of starting an entrepreneurial journey, the possible challenges and ways to overcome it from a successful entrepreneur.

Report:

The Institution's Innovation Council of KRMMC and Centre for Entrepreneurship

Organised a session on “My Journey as an Entrepreneur” as a part of IIC calendar activity for Q1 to motivate the students to become entrepreneurs in online mode through Gmeet. Jc.L. Sampath Kumar, Managing Director, Nallakadai, Managing Partner, South Organic Farms and Farmer at Herballand was the resource person. The session started with the college song, welcome address, and address by Dr.P.T.Vijayshree. After introduction of the guest, he shared his experience in the corporate world and his exciting journey as an entrepreneur by creating the Nallakadai venture. He also discussed the parameters to be considered before starting a venture. He explained the schemes of funding available for medium and small entrepreneurs and ways to evaluate a business venture. He enlightened the students about the social media platforms and their leverage for effective marketing for global presence of the venture. The resource person also suggested ways to overcome the challenges from his experience. The session ended with formal vote of thanks and national anthem.

Feedback of the event:

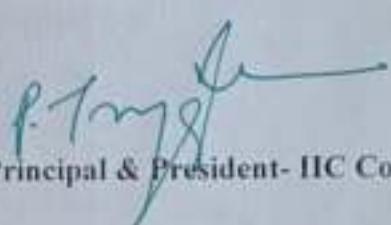

The feedback was collected through Google forms. More than 90% of the participants felt the session was very motivating and encouraging. They also wanted to attend more sessions like this in future. Majority of the participants did not have any family business background. They were willing to identify the neighbourhood entrepreneur and share their story with the ED Cell. The faculty felt the session was very inspiring and wanted more sessions like this in future. Some of them wanted special sessions on start-ups, scaling of business etc.

Kumararani Meena Muthiah College of Arts & Science Institution Innovation Council of KRMMC

The MOE's Innovation Cell organises an MIC Driven Activity for Quarter 4 of IIC 4.0 (2021-2022) on 28.06.2022 a live webinar on the topic "**Out of the box thinking for problem solving**" by **Prof. V Kamakoti, Director, IIT Madras**. Prof.V. Kamakoti insisted the need for out of the box thinking for entrepreneurs. He introduced the concept through various examples and also explained about the new course rolled out by IIT at free of cost for all. He also shared the link for the same and the session ended with Q&A and formal vote of thanks. The session threw some interesting lines on how to think differently in any situation. The examples were captivating. Faculty and students from KRMMC attended the session through their devices.
